

Photo-Physiology Phenotyping Workshop.

University Of Essex.

Dec 16th and 17th 2013.

The School of Biological Sciences at The University of Essex will be hosting a workshop on Photo-Physiology Phenotyping. The aim of the meeting is to look at phenotyping approaches and particularly those that screen or select based on physiology as well as focusing on approaches that have potential field application. The Workshop will be held on the 16th and 17th of December 2013. The workshop is organised within the UKPPN.

Confirmed Speakers.

Miguel Costa - Technical University of Lisbon
John Doonan - Aberystwyth University
Bernard Genty - CEA Cadarache
Jeremy Harbinson – Wageningen UR
Giles Johnson - University of Manchester
David Kramer - Michigan State University
Tracy Lawson - University of Essex
Erik Murchie - University of Nottingham
José Luis Araus Ortega - University of Barcelona
Radoslaw Pajor - University of Nottingham.
